Approve Exams

Academics - Approve or Change Exam Choices

Approving exam choices made by a student

Click the Outstanding To-dos tile.

The number in the bottom right of the tile indicates how many items there are on the list.
You’ll see a list of students and their enrolment status, e.g. 'Enrolments to approve', or 'Enrolment not completed'. The list can be filtered top-left.

Click one of the 'Enrolments to approve' rows.
The student has already completed most of the steps on the left. Step 5 shows the choices made by the student.

Have a look at their choices, making any changes as needed, then click **Approve enrolments**.

To finish, click **Submit**. The student will be removed from your To-do list.
Step 6 of 6: Submit exam enrolment

You have added or dropped the following exams for the subject area:

You have approved all enrolments.

Please click the 'Submit' button to complete this task.
Approving all exam choices made by a group of students in one go

Click the Outstanding To-dos tile.

The number in the bottom right of the tile indicates how many items there are on the list.

You'll see a list of students and their enrolment status, e.g. 'Enrolments to approve', or 'Enrolment not completed'. The example below shows only two students with enrolments to approve.

To see the enrolments for each student directly in the list, click the 'Enrolments to approve' filter on the top left.
Click **Enrolments**.
The enrolments for each student will then be shown in the list.

On the left of the list, tick the students you wish to approve, then click **Approve selected**.
You can select all in the list by clicking the green arrow at the top.
To finish, confirm your choices by clicking Yes.
The students will be removed from your To-do list.
Enrolling and approving on behalf of a student

Usually the students will make their own choices, leaving you the task of approving. You can instead make the yourself on behalf of a student.

Click the Outstanding To-dos tile.

The number in the bottom right of the tile indicates how many items there are on the list.

You’ll see a list of students and their enrolment status, e.g. 'Enrolments to approve', or 'Enrolment not completed'. You can filter the list on the left.

Choose a student by clicking their row.
From this point you can move through the steps on the left, or click the Next button top-right, following the on-screen instructions as you go.

After you've read the introduction, click Next.
Step 2: Select Programme

Step 2 of 6: Select programme

Select your programme from the list below, then navigate to the next page.
Programmes which are completed, cancelled or still admissions will not be displayed.

Programme of study

Step 3: Select Subject Area

Step 3 of 6: Select subject area

Select your subject area from the list below, then navigate to the next page.
If no subject areas are displayed, click the Add a new subject area button. If your particular subject area is not displayed, click the + button to add it. Once you have added a new subject area, you will need to select it to navigate to the next page.
You can check which subjects are available for self service enrolment on the Student Registry website.
Step 4: Select Term

Enrol in an exam

Programme: Undergraduate
Subject: English Topics, Part II
Term: Easter Term 2020

Step 4 of 6: Select term

Select the term for the period when the exam takes place, then navigate to the next page.

If more than one term is displayed you may need to enrol in exams for each term.

Step 5 is where you choose the enrolments and approve them.

**Step 5 of 6: Select exams**

Select the exams that you wish to add or drop for this subject area. A tick symbol ✓ indicates the parts of the exam that you have selected.

Please note that you may not necessarily qualify to take some of the exams so you should refer to the exam entry rules if they are available.

When you have finished, navigate to the next page.

Instructions for academic staff:

If you are happy with what the student has chosen, simply click the 'Approve enrolments' button.

You can also use the 'Add' or 'Drop' buttons to make changes to the enrolments prior to approving them.

Examination Enrolment Window: 1 October to 2 November
